Wednesday Book Study

The Wednesday evening book group has made some changes! To simplify things for summer, we've decided to forego the potluck and meet at 6:45 to 8:00 p.m. for the book discussion. We keep it exciting by introducing a fresh point of view each week! Everyone is invited to lead the conversation on a chapter of their choosing. We've just begun to explore what Marshall Rosenberg can teach us about communication. Val will be leading us off in Chapter One this week.

Here is what has been said about Nonviolent Communication:

"Rosenberg has developed a simple method of communicating that helps to avoid triggering a defensive reaction, and instead stimulate understanding and agreement. It is invaluable in all your relationships"

"I have never read a clearer, more straightforward, insightful book on communication."

"If you want to be heard, and to hear what your loved ones are truly saying behind what they are saying, read this book! It will change your life."

Sound like something you want to be a part of? We've ordered a few extra books, so come join us! It's not too late! Questions? Call or text Lynn Weedmark 939-5740

Prayer for a New Bishop

God of wisdom and goodness, you give your people a variety of gifts to serve you. We thank you for those men and women considering a call to be our next bishop and the unique gifts each brings. Watch over them, we pray, on this journey of discernment, and give us grace to honor and appreciate each one, through Jesus Christ, our Lord and companion on the way. Amen

Pentecost- the birth of the Christian Church...

The word Pentecost is Greek and means fiftieth. During the Jewish celebration of Shavout/Pentecost, seven weeks or fifty days after the resurrection of Jesus, the Holy Spirit was poured out upon the Apostles. In many ways, Pentecost is the birthday of the Christian church. The first event is recorded in the New Testament as the "Acts of the Apostles" chapter 2. God pours out the Spirit upon all who put their faith in Jesus Christ and becomes his disciples. (see Romans 8:1-11).

The color red is the color of Pentecost and symbolizes the power and tongues of fire.

The season of Pentecost usually focuses on the evangelical mission of the church to the world and its responsibility in carrying out that mission of proclamation given by God at Pentecost.

On this Pentecost wear red to celebrate the birthday of the Christian church and the act of the Holy Spirit.
