Dear Friends,

Well, I survived Camp Cross. But the following verbs indicate so much more. Not just “survived.” “Thrived, enjoyed, loved” would be a start. What an incredible, joyful, sacred place. The organizer of last week, Youth Pastor from St. Paul’s, Walla Walla, Jane Gober tried out her creative juices on a new summer venture: “Arts Camp.” The staff and counselors were delightfully talented. We ended up employing every art form possible such as painting, theater, writing, and dance to explore the parable of the Good Samaritan. My role was simple. Come to know and love all the campers (and everyone else there), and lead daily prayer, including our concluding worship. I can only say, may our own prayer life someday be so energetic!

You may have noticed last week’s weather was cool and rainy, so much so several of us wondered if our own parish liturgy/picnic might have to be cancelled. Luckily, *not so!* Like Goldilocks crooned, “not too cool, not too hot, but “JUST RIGHT!” Thus over 45 of us gathered for a fun Sunday morning full of prayer and fun at Terrace View Park. Thanks to Phyllis, Jimmy and friends and for their music leadership and to Martha for expanding her Sr. Warden skills to include “game director.” A delicious lunch followed and a few hardy souls even stayed on for swimming. I suspect we will definitely have to make this (at least) an annual event!

Finally, let me give you an update on some proposals that were being considered earlier this month, as well as some good news. A few weeks ago we were wondering if the basement of the Parish Office might be viable for temporary shelter for various people in need. Figuring out how this would work given the structure and present uses of the building has shown this to be a little too difficult for now. Nevertheless we will continue to look at our entire space for how God might be calling us together to serve his hurting world in the future.

Next, the repair of the soffits and the painting of the outside of our building seem to be delay-able for the present. This will go on our “to do” list as we construct our budget for next year.

Finally, good news on our carpet for downstairs. As you may remember, this was one of our last dangling repairs needed after our 110’ of sewer pipe broke several months ago. Big kudos to our Jr. Warden, Dave Newton and to the ongoing work of “the guys.” They followed through long after the spot-light was gone. Finally our treasured young guests in our *Adventure Land Day-Care Center* can again have a safe and beautiful place to learn and play.

As the poet Mary Oliver says, "It is a serious thing just to be alive on this fresh morning in this broken world." Our mission in Spokane Valley is more acutely important as the turmoil in our country settles into all of our souls. Let me end with the concluding prayer I used this past Sunday: "One of the most calming and powerful actions you can do to intervene in a stormy world is to stand up and show your soul. Soul on deck shines like gold in dark times. The light of the soul throws sparks, can send up signal fires . . . cause proper matters to catch fire. To display the lantern of soul in shadow times like these, to be fierce and to show mercy toward others are acts of immense bravery and great necessity. Struggling souls catch light from other souls who are fully lit and willing to show it (Clarissa Pinkola Estes). Blessings and fire, Rev. Linda
