Dear Friends,

This saying from a writer named Scott Stabile was part of my meditation/prayer time this morning:

Let the violence and pain in our world root you even more deeply in your commitment to be kinder and love harder, no matter the person or circumstance. Your great ability to love has everything to do with creating a more peaceful reality on our planet. Your love matters. It makes a critical difference. It helps all. (www.scottstabile.com).

I think it was in a preaching, class many years ago, when a teacher mentioned that preachers tend to have one good sermon that we preach over and over. I suppose I am a broken record when it comes to talking about love. This isn't because I am so good at it, far from it. It is because love is a new adventure for me and for us all every day. Love's rough edges tend to show up in times of conflict. How do I tell someone I love something important without letting go of my creative edge of loving them and myself? Such a challenge for the whole world right now. Luckily we only have to work on ourselves to make the world truly a better place.

This coming Sunday we have a treat coming our way: the creation story from Genesis. "Oh, heard THAT one before!" you might say. Come hear it again, maybe for the first time. It is the best love story ever.

Blessings, and much love,
Rev. Linda

Trinity Sunday

Graduating Seniors?

Do you have or know a senior graduating from college or high school? What about a 5th grader moving to Middle School, or an 8th grader moving to High School? We'd like to help you celebrate. Contact the office with your graduates name and a special dedication and we will add it to the June 14th edition of the Resurrection Review as well as post a special congratulations on our Facebook page. (Graduate does not need to be a member of Resurrection)

Donations for VBS

It's always fun to see the room light up from the smiles on all the kids' faces at Vacation Bible School. This wouldn't be possible though without the wonderful planning and the donations for snack time and craft time. If you have the ability to help out, we currently have a list of items needed in the Parish Hall.

Simply sign up for an item and bring it back to the church by June 4th, so we can deliver everything in time. If you don't want to go to the store, monetary donations are also accepted to purchase items which haven't been donated by the time we turn the donations in.

Priest on Vacation

Rev Linda will be away on vacation from June 12th through June 21st. We are delighted to have Father Rick Matters leading our service on June 18th. If you have any Pastoral Care needs during this time, please contact Linda Bordwell 638-7015 or Nola Combs 891-7647.

Celebration of Life Martha Reese

On July 1st, from 2:00 – 5:00 pm, Resurrection will celebrate the life of our longtime friend Martha Reese. Come and share your special memories and stories.

50TH Anniversary Celebration

You are cordially invited to come celebrate the 50th Anniversary of Ralph and Lynn Schmidt, on Sunday July 30th at 11:30am. Join family and friends for this celebration, as well as some wonderful food! There will be no coffee hour following the 8am or 10am service, so bring your appetite at 11:30.

Jr. Warden's Corner

We have a lot going on and I will try and keep you informed. We are progressing nicely on getting the daycare expanded downstairs to generate much needed additional revenue to the church. Still a long term process.

Any questions anyone has call me 509-251-0085 or email me d-a-newton@comcast.net.

Server Schedules

Pat Munts will soon begin working on the service schedules for July, August, and September. Please make sure to contact her and let her know what times and dates you AREN'T available. Thanks for your help!
